LICENSE CONTRACT

1. This is a license contract (EULA) between the user and SIELCO SISTEMI srl. By installing Winlog Lite software, the user agrees to be bound by the terms of this contract.

2. Winlog Lite software is protected by copyright laws and international copyright treaties, as well as other intellectual property laws and treaties.

3. Winlog Lite software is licensed, not sold; the intellectual property of Winlog Lite is exclusively owned by SIELCO SISTEMI srl.

4. The user may not reverse engineer, decompile, or disassemble Winlog Lite software; the user may not modify Winlog Lite software nor include it, in whole or in part, in other procedures or programs.

5. Winlog Lite software is provided "as it is", without any kind of warranty, neither express nor implicit.

6. Winlog Lite software can be executed in "DEMO" mode without need of registration. In DEMO mode, communication with external devices automatically stops after 15 minutes

7. Winlog Lite software can be executed in "FULL" mode (without any limit of time) by purchasing a "Winlog Lite license" and carrying out the registration procedure; the "Winlog Lite license" is valid only on the computer used to carry out the registration procedure and can't be transferred to another computer.

8. SIELCO SISTEMI srl does not and cannot warrant the performance or result that the user can obtain by using Winlog Lite software.

9. SIELCO SISTEMI srl in no event will be liable to the user for any damages or indirect damages or for any claim by any third party; SIELCO SISTEMI srl aggregate liability shall be limited to the amount paid for the purchase of the Winlog Lite license.
